To Members of the Jamaica Alumni Community in Florida, Happy 63RD Anniversary!

On this occasion of Jamaica's 63rd year of independence, we extend heartfelt greetings to all members of the Jamaica Alumni Community residing in Florida.

As we commemorate this milestone in our nation's history, we celebrate not only the strength and resilience of our people but also the vibrant spirit of Jamaicans across the globe - especially those of you who continue to carry the essence of Jamaica in your hearts, even while living abroad.

Your continued support, unity, and dedication to giving back to our homeland do not go unnoticed. The work your associations do - especially in advancing educational opportunities for students in Jamaica—embodies the very spirit of independence. Through scholarships, mentorships, and community outreach, you are helping to nurture a generation of young Jamaicans to dream bigger, achieve more, and contribute meaningfully to our country's development.

Thank you for being a shining example of what it means to love Jamaica—actively, intentionally, and with purpose. Your efforts are not only bridging communities but also building a brighter future for the island we all hold dear.

As you celebrate this Independence Day, may it be filled with joy, pride, music, and the rich culture that defines who we are.

One Love, and Happy Independence!

Sandra L. Rupert

Hampton School triumphant!

...takes top spot in 2025 Junior Minister of Tourism Competition (Jamaica Observer, July 18, 2025)

Caleader Lewison, a 17-year-old student at Hampton School, has been crowned the **2025 Junior Minister of Tourism** following an exciting final held on Wednesday at Sandals Ochi Beach Resort.

The annual public speaking competition showcased the talents of three exceptional finalists representing Hampton School, Manning's School, and Montego Bay High School. Lewison will represent Jamaica at the Caribbean Tourism Organisation's Youth Congress scheduled for October in Barbados, continuing Jamaica's tradition of grooming excellent young tourism ambassadors.

The runner-up title was awarded to Kaira Bowman of Montego Bay High School, while Jullisa Dujon of Manning's School also received high commendation for their impressive performance during the finals.

Seaforth High School wins top prize in EU/USF ICT Club Video Competition (Jamaica Observer, July 22, 2025)

Seaforth High School has claimed first place in the European Union (EU) and Universal Service Fund (USF) ICT Club Video Competition, earning top honours for their digital storytelling project and securing an all-expenses-paid trip to Brussels later this summer.

The award ceremony, held on July 15, showcased the creativity and innovation of Jamaican students as they explored the theme of technology's impact on future careers and how the education system can better prepare youth for the digital economy. The competition, open to students in Grades 11–13 who are members of USF ICT Clubs, forms part of a wider initiative by the EU, the USF, and e-Learning Jamaica to promote digital inclusion and skills development.

Old Harbour High School and St Hilda's Diocesan High School placed second and third, respectively, in a strong field of entries that reflected the talents and forward-thinking mindset of Jamaican youth.

Message from the Consul General Mr. Roderick Oliver Mair, on the Occasion of Jamaica's 63rd Anniversary of Independence

On behalf of the Consulate General of Jamaica, Miami, I extend greetings to my Diaspora family as we give thanks and celebrate another year – our 63rd Anniversary of Independence as a sovereign nation. “In everything we give thanks for this is the will of the Lord...”. As a nation, we are grateful for the many achievements and strides Jamaica has made, despite the many global challenges. We remain resilient and united as we continue to work together for the good of our nationals across the Diaspora and just as importantly, for the benefit of our homeland, Jamaica, land we love. As our theme this year exemplifies, we continue to **“BE PROUD, BE BOLD. IN THE BLACK GREEN AND GOLD”**.

Our Government continues to express the nation's overwhelming gratitude for the consistent service and valuable contributions of our Diaspora family to the country's economic development. We can boast the efforts of the many charitable organizations, corporate entities, alumni associations, individuals and friends of Jamaica in the areas of health, education, culture and entertainment, and social services. This is evident in the many fundraising events held annually as staples on our community calendars across the Diaspora. Our consistent track record of giving back to Jamaica is a testament to our love of country and an example of our fortitude and resilience as a people. Our rich cultural heritage is again on display on the international stage as members of our own resident South Florida Tallawah Mento Band and Jamaica Folk Revue have been invited to participate at the Annual International Cultural Festival – PANAFEST – being held in Accra, Ghana, July through August. PANAFEST has long been a cornerstone celebration of African unity, heritage, and culture, providing a platform for Africans and the global African diaspora to come together in solidarity, creativity, and dialogue. We wish our ‘culture keepers’ a safe and exciting journey as they continue to make us proud. We also salute our team at the Jamaica Tourist Board for celebrating 70 years of maintaining Jamaica as a premier and exciting tourist destination worldwide through its vigorous marketing and promotional campaigns that have earned us sustained international recognition.

Last April, we also hosted an exciting South Florida two-day visit, from our Prime Minister, Dr. the Hon. Andrew Holness. Dr. Holness was welcomed at a Diaspora Reception and Community Forum hosted by the Consulate General where he met with a large cross-section of nationals and friends of the Diaspora. The Prime Minister was also the Special Guest of the American Friends of Jamaica (AFJ) at their annual Gala. Mr. Holness expressed his gratitude for the overwhelming support and hospitality received. This, he said, reminded him of the commitment of our Jamaicans to furthering the efforts of Diaspora engagement.

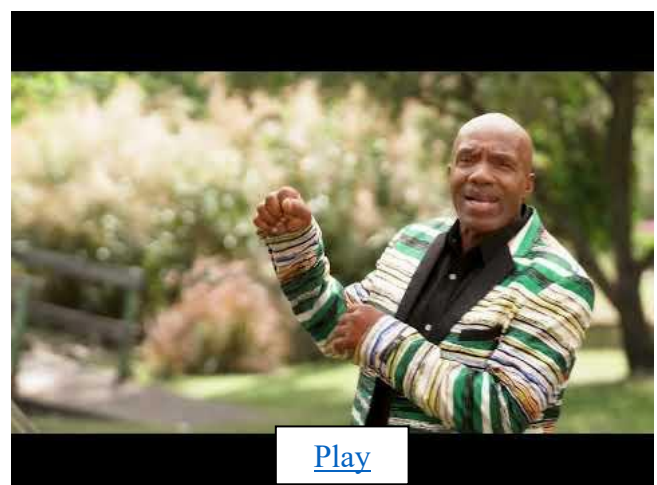

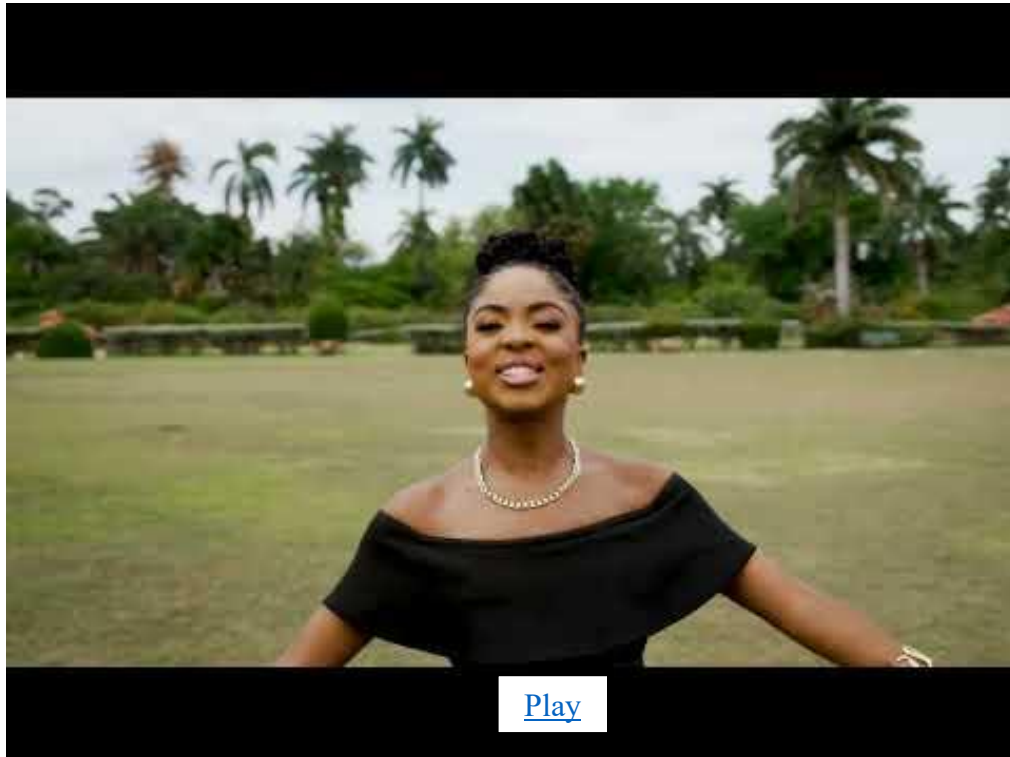

As the Dean of the Caribbean Consular Corp in South Florida, let me once again congratulate our diplomatic partners for their long and outstanding years of service and partnership for the betterment of our Caribbean region and to the development of the international community. On behalf of the Government of Jamaica, it is with sincere gratitude that I acknowledge the contributions of our nationals within the jurisdiction of the Consulate General across the 13 States of the Southern USA. I also wish to express my profound gratitude to my staff members at the Consulate General. With all sixteen (16) members here at the Miami location, and our two Honorary Consuls stationed in Houston, TX, and in Atlanta, GA, the significant growth of our Diaspora across the Southern States is evident in the increasing volume of work daily on the Consular team. They have certainly been an encouragement, creating a positive environment for our nationals residing in those communities abroad.

My Diaspora family, your support to the various initiatives locally and in Jamaica has positively impacted development. However, the work continues. We endeavour as Jamaican people to overcome, with grace, and humility, our individual hardships and challenges. We must also remain positive and committed to our personal develop-

ment. We are driven by our faith and determination as a people. So as we celebrate another year of accomplishments, reuniting with friends and loved ones at the many celebrations, let us give thanks for the many blessings we have received as a nation, and as a Diaspora community as we continue to share the message of hope and love. May God continue to bless you and bless our beloved homeland, Jamaica.

"63RD – BE PROUD, BE BOLD. IN THE BLACK GREEN AND GOLD"
