Dear Members of the Coalition of Jamaica Alumni Associations' Community,

Your continued commitment to uplifting your alma maters and strengthening the South Florida community stands as one of the most inspiring examples of unity, service, and cultural pride. The work you do is not only a testament to the values instilled in you during your formative years in Jamaica, but also a powerful reminder of how diaspora communities can transform lives across borders. Your dedication—year after year—creates opportunities, preserves traditions, and builds bridges for future generations.

What makes your collective impact so remarkable is the consistency with which you show up: for your schools, for your fellow alumni, and for the wider community. Whether through scholarships, mentorship, cultural events, or charitable initiatives, you demonstrate a deep and unwavering commitment to giving back. This spirit of service is the heartbeat of your organization, and it continues to enrich both Jamaica and South Florida in meaningful ways.

Your upcoming slate of events reflects not only your organizational strength, but also the vibrant diversity of your member associations. Each event carries its own unique flavor, history, and purpose—yet all share the common goal of supporting education, fostering fellowship, and celebrating Jamaican heritage. It is a joy to commend you on this impressive lineup:

This extraordinary calendar showcases the strength of our network and the passion that fuels our collective mission. Each gathering—whether a fish fry, gala, dance, reunion, or family day—serves a greater purpose: raising funds for students, supporting school development projects, preserving alumni bonds, and celebrating the culture that shaped you.

A special note of appreciation is also due for your recent past events, which beautifully showcased the strength and unity of the Jamaican alumni community in South Florida:

- ✦ **Calabar High School Alumni – Lock & Loaded Green & Blackness Experience Day**, featuring world champion sprinter **Oblique Seville**, which brought together sports, culture, and school pride in a powerful way.
- ✦ **Ardenne Alumni Association of Florida – Spring Ting Weekend**, a celebration that blended elegance, fellowship, and purpose.
- ✦ **Immaculate Conception High School Alumnae (Florida Chapter) – 12th Annual Fish Fry & Barbeque**, which once again demonstrated the chapter’s commitment to excellence and community engagement.

Your efforts remind us that community is not defined by geography, but by shared history, shared values, and shared purpose. Through your work, you continue to honor the legacy of your schools while creating new opportunities for those who follow in your footsteps.

May your events be successful, your partnerships strengthened, and your impact multiplied in the months ahead. The South Florida community is richer because of your presence, and Jamaica continues to benefit from your unwavering loyalty and generosity.

With deep respect and admiration,

Sandra L Rupert

UWI STUDENTS LAUNCH PRESTON SCHOLARSHIP FUND TO SUPPORT PEERS AMID RISING LIVING COSTS

(JAMAICA OBSERVER: FEBRUARY 10, 2026)

Student leaders of Aston Preston Hall at The University of the West Indies, Mona, have launched the Preston Scholarship Fund, a student-led initiative to support residents experiencing financial hardship that threatens their ability to remain in university housing.

The fund, introduced as part of Aston Preston Hall Committee's 30th anniversary commemoration, seeks to raise at least \$500,000 to assist a minimum of 10 students with \$50,000 toward residence fees for the upcoming academic year.

According to the committee, rising living costs have increased the risk of housing insecurity, affecting student retention and academic progress. The initiative calls for donations from Preston alumni, friends of Preston and sponsorships.

"This scholarship embodies our external affairs committee's slogan, 'Creating Ripple Effects: Tiny Actions Accumulate to Large-Scale Impact.' Each donation, no matter the size, directly uplifts our residents and strengthens the legacy of

Aston Preston Hall,” said Dejanae Fagan, external affairs chairwoman.

“It is very difficult to focus on academics whilst worrying about eviction because you cannot pay hall fees,” added Shawn Palmer, deputy hall chairman.

Organisers note that while academic ability remains strong, financial barriers, particularly housing costs, are affecting students’ ability to continue their studies. individuals can donate to the fund via:

DIGICEL FOUNDATION DONATES US\$80,000 SMART LAB TO CHURCH TEACHERS’ COLLEGE

(Jamaica Observer: February 25, 2026)

The Digicel Foundation has handed over a US\$80,000 Smart Lab to Church Teachers’ College in Mandeville, Manchester, as part of efforts to strengthen teacher preparation and accelerate digital transformation in Jamaica’s education system.

The facility was officially opened during a ceremony at the institution last month (February).

Assistant Chief Education Officer in the Tertiary Unit of the Ministry of Education, Skills, Youth and Information, Dr Tamika Benjamin, described

the initiative as a strategic and visionary investment in Jamaica’s human capital.

“Today marks more than the unveiling of a physical space. It represents [a] strategic investment in Jamaica’s future... an investment in teacher education, an investment in our students and in the continued transformation of education in our rapidly evolving digital space,” she said.

Benjamin emphasised that meaningful and sustainable school transformation must begin with teacher preparation.

She noted that while the Digicel Foundation has established Smart Labs at primary and secondary institutions, its extension into teacher-training colleges demonstrates foresight.

Lecturer at Church Teachers’ College in Manchester, Andree Campbell, conducts a demonstration using a smart board donated by Coldax Mart Limited during the opening and handover of a Smart Lab, which was donated by the Digicel Foundation at a cost of US\$80,000, at the institution in Mandeville, Manchester, on Tuesday (February 24).
