Alumni Community

HAPPY EASTER to all, and please extend our Easter wishes to others outside our alumni community. As we remember the miracle of Jesus' resurrection and His endless love, may we be blessed with our Lord's love and peace this Easter and the years to come.

The list of events and the flyers included in this newsletter are indicative of a very active and vibrant Jamaican alumni community here in South Florida, and we are happy to highlight these activities in the newsletter. They are mostly fundraising activities as our alumni associations are dedicated to the improvement of educational opportunities for students in Jamaica as well as those that have migrated to the United States of America. They also support projects in our local communities here in Florida.

Nineteen (19) alumni association community events are included on pages 8 – 26. These include

- **Four (4) Fish Fries**
- **Four (4) family fun days/picnics**
- **An antique car show;**
- **The first ever Alumni Associations' Sports Day**
- **H5 5K Walk/Run race**
- **Three (3) reunion weekends**
- **Two (2) parties**
- **Three (3) Gala/Balls and**

For the athletes and others so inclined, there is the **Jamaican Alumni Associations' Sports Day hosted by the Florida Chapter of Calabar Alumni Association**. This will take place on Saturday, April 29, 2023, from 10 am to 4 pm at Miramar Regional Park.

“We are encouraging the past students of all the awesome Jamaican schools here in Florida diaspora to come out, have fun and enjoy the camaraderie. The day will be reminiscent of sports day vibes like back-in-the-day with the popular lime and spoon, sock/shoe, crocus bag, three-legged and continuous relay races,” remarked Derrick Munroe, chapter president. “Food, music, raffles, prizes and surprises will make it a delightful day for participants and spectators alike.” This is slated to be a family affair and persons can register individually or as a team.

“The friendly competition among those registering for the events, who can wear their school colors, will make for an entertaining and playful atmosphere,” adds Daniel “Little Warrior” England, former

Calabar Boys' Champs track standout, who will oversee the events and the morning warm-up session. "Last I checked, the Coalition of Jamaican Alumni Associations of Florida (CJAA) newsletter edited by Drs. Sandra Schrouder and Rupert Rhodd boast a list of about fifty-nine individual alumni associations. So, what a wonderful sight it would be on Saturday April 29, 2023 in Miramar, Florida if we had representation from each organization," remarked England.

Participants can begin registering by March 16, 2023 at Calabar Alumni Florida's website, cbar-fla.org. Registration will remain open until the morning of the event. Sponsorship opportunities for businesses or organizations are available. See more details at www.cbarfla.org. (Instagram @cbar_florida_chapter; Twitter @cbarflorida) For more on the sports day, see the flyer on page 18.

There is also the **Jamaica HI-5 5K Run/Walk Race** on Saturday, May 6, 2023 at Miramar Regional Park. Hosted by the mayor of the City of Miramar, Wayne Messam, and under the patronage of the Consular General of Jamaica, Oliver Mair in association with the Jamaica United Relief Association, this event will help to raise funds for clinics in Jamaica. It is expected to be a fun-filled morning that will culminate with a post-race celebration between 10:00 AM and noon. For more on the HI-5 5K Run/Walk Race, see the flyer on page 20.

Peter Gracey is the new representative for the US Southern Region on the Global Jamaica Diaspora Council (GJDC). The GJDC promote the well-being of Jamaicans in the diaspora and promotes socio-economic engagement and philanthropy. Peter Gracey succeeds Dr. Allan Cunningham who served as the representative on the council from 2020 to 2023. The Jamaican Alumni Community sincerely thanks Dr. Cunningham for his support during his tenure, especially his unwavering support of the annual walkathon. We look forward to working with Mr. Gracey in the coming years.

The Jamaica Ex-Police Association of South Florida, Inc., in their effort to assist students in South Florida and Jamaica is offering two (2) onetime scholarships this spring.

- a. JEPA's USA Scholarship will be awarded to a college student who resides in either Miami-Dade, Broward or Palm Beach County. The Jamaica scholarship will be awarded to a high school student who resides in Jamaica.
- b. The USA Scholarship will be awarded at JEPA's 31st Anniversary Charity Ball on Saturday, May 27, 2023, at the Gold Coast Ballroom, 1415 Lyons Road, Coconut Creek, Florida 33063. For more information on the scholarships go to pages 4 and 5.

Waterford High School is seeking financial assistance to fund feeding program and for school bus. **Here is an opportunity for you as individuals or your association to help a school in need. Please see the Jamaica Observer article on page 6**

There were tears of joy from Manning's past student Victor Lowe on the realization of his dream of seeing a science, technology, engineering, and mathematics (STEM) laboratory opened at his alma mater. **Kudos to the Florida Chapter of The Manning's School for their contribution to this project. See page 7.**

This newsletter is the monthly publication of the Coalition of Jamaican Alumni Associations of Florida. It publishes information about Jamaican alumni associations in Florida, its members and other information related to education in the Jamaican Alumni Community in Florida. **The list of Jamaican alumni association is found on pages 27 – 30.**

If you would like us to present information of the nature indicated above to members of the alumni community, please send it to us at rgecon@hotmail.com.

Thanks for helping to publish the newsletter each month by sending us your event flyers. We look forward to receiving not only the flyers of your events but also stories, news, birthdays, and other information about your association and its members. Please note that the newsletter and events flyers are on the Coalition's website at www.cjaaf.info.

JAMAICA EX-POLICE ASSOCIATION OF SOUTH FLORIDA, INC. (JEPA), ANNUAL EDUCATION SCHOLARSHIPS

To show its commitment to the community and education, and to display and encourage community involvement, the Jamaica Ex-Police Association of Florida will be offering two (2) one-time scholarship in May 2023. **JEPA's USA Scholarship** will be awarded to a college student who resides in either Miami-Dade, Broward or Palm Beach County. **JEPA's Jamaica scholarship** will be awarded to a high school student who resides in Jamaica.

Criteria for obtaining USA Scholarship:

1. Applicants **MUST** be legal residents of Broward, Miami-Dade or Palm Beach County, Florida.
2. Applicants **MUST** provide proof of residency.
3. Applicants must be currently enrolled or accepted as a student in a 2-4-year college.
4. Applicants **MUST** submit a two-page essay (8 1/2 x 11), typed in 12-inch font with double spacing, explaining convincingly why he/she should be awarded this scholarship.
5. Application packets **MUST** include the applicant's full name, address, telephone number, and email address.
6. Students of Jamaican parentage residing in Florida counties listed above are strongly encouraged to apply.
7. The financial need and scholastic aptitude of the applicants will be considered in the selection process.
8. Deadline for all applications is May 1, 2023.
9. Applications must be mailed to The Jamaica Ex-Police Association of South Florida Inc., 7153 West Oakland Park Boulevard, Lauderhill, FL 33313.
10. Applications must also be submitted electronically to:
 - a. Ivanhoe Wallace at ivanhoewallace@yahoo.com
 - b. Daniel Cadien at dancadien@gmail.com

Criteria for obtaining Jamaican Scholarship:

1. Applicants **MUST** be a high school student or **MUST** have been accepted in a Jamaican high school.
2. The Community Relations Division of the JCF will select the recipient.
3. The scholarship is a onetime cash award.
4. Money awarded should be used **ONLY** to purchase school supplies e.g., books and uniforms.
5. Over a one-year period, the funds will be disbursed by the principal or designee.
6. The principal (or designee) of the recipient's school will administer the funds and submit an expenditure report to the Jamaica Ex-Police Association of South Florida, Inc. via the Community Relations and Security Division of the Jamaica Constabulary Force.

7. For the one-year period of the scholarship, recipients must attend school regularly, and maintain satisfactory academic performance and conduct.
8. The decision of the Scholarship Awards Committee is final.
9. Applications must also be submitted electronically to:
 - a. Ivanhoe Wallace at ivanhoewalllace@yahoo.com
 - b. Daniel Cadien at dancadien@gmail.com

Procedure:

1. The Scholarship Committee will review applications and choose, based on academics, aptitude and community involvement.
2. Selection of the recipient will be done prior to May 15, 2023, and the recipient will be informed prior to May 27, 2023.
3. The scholarship presentation will be at JEPA's 31st Anniversary Ball on May 27, 2023. Scholarship recipients and chaperones will be invited as guests.
4. The president of JEPA or his designee will hand out the scholarship to the recipient.

WATERFORD HIGH NEEDS FUNDS FOR FEEDING PROGRAMME, SCHOOL BUS

By Jason Cross

Jamaica Observer, Mar 16, 2023

Constance Curriah, principal of Waterford High School in Portmore, St Catherine is appealing to the public for assistance in funding the institution's feeding programme and obtaining a bus to transport students to and from sporting and other extra-curricular events.

According to Curriah, 280 of her students are on the Programme of Advancement Through Health and Education (PATH) while another 100 are signed up with the school's welfare programme. Those on PATH are supposed to get subsidised lunch three days per week. However, Curriah and her administration put a system in place that allowed the roughly 400 students to receive lunch five days per week. But since February the school has had to cut the number of days from five to three, and that reality worries Curriah.

"We are really short of money so we have an issue in terms of feeding the students. The Government does provide PATH but it is only \$150 per day for three days, and that is really not enough. I am really appealing to Jamaica in general for any assistance in terms of providing funds or foodstuff to feed the children. The 100 welfare students are not on PATH but I have always been feeding them five days per week, but it has been costing us.

"The challenge now is that with the financial issues we are having, we cannot continue to feed them for five days and so we cut it down to three. Some parents can't find the money, so even though PATH only covers three days, there is an additional two days. Even though some of the students are on PATH, some parents would still give them money. What we ask them to do is use the little extra to ensure they come to school on Thursdays and Fridays," Curriah said.

A Coaster bus like this one would be suitable for transporting students to and from sporting and other events.

"I would like to return to the five days because it means that there may be students absent on Thursday and Friday because they don't have lunch. For some students, the PATH lunch is the only meal they get for the day. Some of our students live in deplorable conditions and/or they have no caring parent or guardian. When I feed them for five days, I know they get something substantial. When I have to cut the days down to three, it bothers me," she added. As it relates to the school's need for a bus, Curriah said that transporting the students to sporting and other events "can be expensive".

"My head of science advised me that there is a science fair at the University of Technology and transportation is basically anywhere between \$25,000 to \$30,000. Every time the students have to go anywhere, we have a serious issue in terms of money. Going into Kingston every time for track meets and then when Champs starts, it costs us \$20,000 to \$25,000 per day. If you're going to Spanish Town it is \$15,000, and if you're going into Kingston it is \$25,000. For extra-curricular, our school-based assessment trip goes on the coast, so if we are going to Portland or St Thomas you know that is going to cost us about \$45,000. We wouldn't need to be finding that money if we had a school bus; all we would need to find is gas. We really need the assistance."

TEARS OF JOY AS MANNING'S SCHOOL GETS STEM LAB

Kimberly Peddie

Jamaica Observer, March 15, 2023

Jamaican philanthropist, innovative entrepreneur, and economic development advisor Victor Lowe was moved to tears last Friday as his dream of seeing a science, technology, engineering, and mathematics (STEM) laboratory opened at his alma mater, The Manning's School, became a reality.

Lowe, the main benefactor of the STEM lab, said it was a good day, and that science, technology, engineering, and mathematics are academic disciplines that are front and centre in the world today. He told the students that the world is their oyster, and that they should never forget that.

"The STEM centre is nothing more than a vessel. Members of staff are needed to guide these young and capable minds — the passengers — in making this vessel fully functional and worthy of its intent," said Lowe.

The centre will facilitate the launch of the 285-year-old high school's ambitious 'Brain STEM' programme. Through this initiative students from all grades at the school will have the opportunity to incorporate robotics, coding, and general science, along with mathematics and engineering, into their curriculum. In her address, Minister of Education and Youth Fayval Williams welcomed the opening of the facility which has been dubbed the Victor Lowe STEM Centre. Speaking at the ribbon-cutting ceremony for the STEM lab, Williams was effusive as she welcomed the addition to the Manning's curriculum.

"I am really excited for this focus here on STEM education," said Williams as she pointed out that Jamaica's education system has been on a transformation track for a number of years.

"The Ministry of Education and Youth is committed to providing and enabling an environment that prepares our students to take their place as global citizens. We see it as our duty to build a school network that is adaptable and dynamic, yet cohesive," added Williams.

In the meantime, chairman of the Manning's High School Board, Moses Chybar expressed gratitude to those who contributed to the state-of-the-art facility.

"We are really grateful, first of all, for the STEM centre being established and we are grateful for the persons who contributed before — the past students' association (the Florida chapter, the New York chapter), most of all Victor Lowe who has single-handedly contributed well over \$50 million to the project," Chybar said.

Jamaica National Bank also donated \$1 million to the project during the ceremony and Chybar said that contribution was "quite a bit of gravy". He noted that the building will now need technological equipment to retrofit the centre, and that the school welcomes additional funding.
